Good Morning Misty, I have just received the downloaded media from Charles to complete your request. Due to the volume of the file, the data would not load on the previous drive that Charles downloaded and therefore we had to get this backup drive that could handle more data. Wesley is waiving the administrative fees for Charles' time that it took him to download the content, due to you having to wait longer than usual to receive your response. The only charge will be for the portable storage drive which is \$59.39. The media with the camera footage is available to pick up at the Commissioner's Office. Again, we apologize for the delay. If you have any further questions, please contact me at 912-393-7108.

Thanks
Tracie
